Five Sale Heifers Sired by Supreme Mark 2d

1880-1941

*Sixty-one Years of  
Constructive Breeding during which time  
we have Developed an  
Outstanding Herd*

## The Sale Offering

We feel that we are selling the best lot of cattle, in this, our Thirty-eighth Annual Sale, that we have offered in recent years. Practically all were bred here on the farm. We are including all of our heifer calf crop that are the proper age to sell. Some of them are possibly a little young to sell to the best advantage, but we are going to offer breeding privileges to our different herd bulls, thus making them equally desirable to the breeder with a good herd bull or to the man wanting a bred heifer.

As to the breeding of the cattle, a large part of them are sired by Divide Advance 2d, he by the International Grand Champion, Browndale Goldspur. His dam is a full sister to the twice International Grand Champion, Divide Sensation. The get of sire by Divide Advance has stood well up at the different state fairs. He is descended from great show cattle and has sired great show cattle.

Supreme Mark 2d is siring calves of the same caliber, calves which will speak for themselves sale day.

We recently purchased Beatton Royal Knight from Ed-Ru Farms and are expecting him to sire calves of the same quality as the above bulls.

There are numerous heifers of the Fair Constance, Sweetheart, Queen of Beauty, and Duchess of Gloster families in the sale. We will have numerous representatives of these different families on exhibition sale day. See them and you will know the kind of cattle the heifers will grow into.

We extend to all interested in good cattle a cordial invitation to be with us sale day. We will appreciate your presence.

*The pedigree of Divide Advance is listed here in order to show pictures of his get on page opposite.*

First prize calf herd at Missouri State Fair in 1939, Supreme Royal Clipper and heifer. Supreme Royal Clipper is chief stock bull for Corbett and Hoskins, Linneus, Missouri, and Edgerton Welch of Chillicothe.

#### DIVIDE ADVANCE 2d

Divide Advance 2d has proved himself a sire of exceptional merit. He came to the farm in February, 1937. The first crop of calves by him were in 1938. In 1939, we showed 10 calves, all sired by him, at the Missouri and Iowa State Fairs, where they made a creditable record, winning first and second on senior bull calves at Missouri, and first and third at Iowa. First on pair of calves at both shows. First on two bulls at Missouri and second on two bulls at Iowa. Third on three bulls at both Fairs. Third on pair of yearlings at both Fairs. "Bull and Female" fourth at Missouri and fifth at Iowa. The most important prize was the winning of second in get of sire at both Fairs, being defeated only by F. W. Hubbell's grand herd of mature animals, including two grand champion females. We have a number of his daughters in the herd, and find that we can spare him. He is active and as sure breeder as ever. He might repeat what his sire, Browndale Goldspur, did in the Allen herd after he was sold at about the same age that this bull is now. See his get sale day; you will agree that he is a wonderful sire.
